

Documentation

Thought Process of design:

- **Color Scheme:** Red, black, and white for a modern and cohesive look.
- **Font Selection:** Elegant and modern font for readability and style.
- **Website Structure:** Three pages for easy navigation: Home, About, Contact.
- **Responsive Design:** Ensures compatibility across all devices.
- **Image Usage:** High-quality, relevant images for visual appeal.
- **Typography and Justification:** Clean and professional text presentation.

Challenges Faced and Solutions

- **Path Issues:** Ensured correct file paths for CSS and images.
- **Consistent Design:** Used common stylesheets and components.
- **Responsive Design:** Utilized Bootstrap and media queries.
- **Image Optimization:** Compressed images for performance.
- **Font Integration:** Selected a web font that aligns with the design
